SECRETARY LUNCH

HAWKINS COUNTY PREGNANCY CENTER

July was a wonderful month at the Pregnancy Center. We received many donations of clothing, diapers, formula, and toys. God met very specific needs this month through those donations. One of our families has very limited space, and they are about to have a beautiful new addition to their family. They needed a baby bed that would fit perfectly into a small area. Two weeks before her due date, the Pregnancy Center received a donation of a mini crib, which is about half the size of a regular crib. It fits perfectly where they needed it to go. God is so good. God has also been working reconciliation in another family that comes to the Pregnancy Center. They had been on the edge of divorce for a little while. I've been praying with the mom in the family, and she recently told me that they are trying to work things out. Praise the Lord! Would you please join me in praying for these two families?

One of our mothers received her High School diploma this month. We celebrate her hard work and accomplishments. She hopes to start college soon.

There are a few moms who come to the Pregnancy Center who are very close to giving birth. Please keep them in your prayers as well. I also need your prayers, as I write the Bible homework that our families use to earn points. Please pray for wisdom for me. Many of our families live with family or friends and are looking for their own space. Pray that God would provide a safe home for them. Please pray that God would help meet their financial needs.

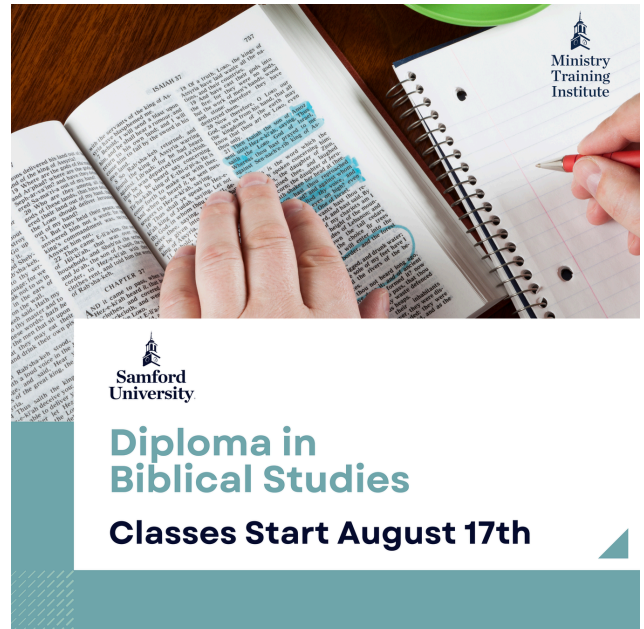

Hawkins County Pregnancy Center has had 38 total visits from families. We've signed up 4 new families and given out 366 items. While it's been a slower month for us, the donations that we have received allowed us to replenish our supplies. The coming months promise to be busy ones around the Pregnancy Center. Please pray for God's provision for us as the number of families that we help grows.

Thank you for the generous donations. Your faithful prayers are very much appreciated. The Pregnancy Center would not be able to run without either of those. Thank you to Hickory Cove Baptist Church for allowing me to speak at their church. Please contact me at the office if you would like me to speak at your church. I would love to tell you more about what God is doing at the Pregnancy Center.
