The Holston Valley Baptist Association has entered into a 3 year partnership with Emmanuel Baptist Church in Esquintla, Guatemala. As part of this partnership we will be sending 3 mission teams per year to Guatemala. Items listed in this catalog may be purchased to supply mission teams with items they will need. The goal is to help equip the church as they do ministry in their city. Everything including medical clinics, food bags, water filtration systems, teacher trainings, and more are all conducted so that the members of the church and our mission team have the opportunity to share the Gospel with the people of Guatemala. By gifting one of the items in the catalog you are helping to spread the Gospel in Guatemala!
