GUATEMALA

Last month Rafael Menchu, the Medical Clinic Coordinator in Guatemala for Volunteer Baptist International, visited Tennessee. Rafael has been instrumental in coordinating the medical clinics that the Holston Valley Baptist Association has conducted as part of our partnership with Emmanuel Baptist Church in Escuintla, Guatemala. While Rafael was here visiting his ministry partners in Tennessee, New Fellowship Ministries Baptist Church in Church Hill hosted a luncheon for Rafael and for those who have gone on mission trips to Guatemala with the HVBA. We are grateful for Rafael and all of the kingdom work that he does in Guatemala!

HAWKINS COUNTY PREGNANCY CENTER

August was the month for births! We had several mothers bring their baby into the world this month and bring them by for photos. For the most part, the month of August was full of Jesus talks and photos. The Center distributed out over 300 items this month to mothers and families in need. We had 8 new clients visit the Pregnancy Center. Three of them are currently participating in the points program by going to church. We received several messages throughout the month from mothers sending their church photos for points and we are seeing Bible App devotions being completed almost every week. This is not from just one person; several mothers are engaging in the Bible App devotions option for points. On top of the points, I had one mother spend several of her points on baby items. This is something that we offer for those that desire something that is not offered in the Center. She has been going to church every week, and it shows on the number of points she has. When she sent the items she wanted, she was filled with joy that she was able to purchase them for her son that will soon be here. It is such a blessing to serve these mothers. I have a few that come in just to talk, and those talks always revolve around Christ. Anytime we are talking about Christ, we are glorifying the one that truly deserves all the praise!

ANNUAL CHURCH PROFILE

In July every church clerk should have received their packet of information in the mail to complete their church's Annual Church Profile. We are happy to help with any questions that you may have while filling your ACP out so do not hesitate to reach out to us. If you have questions or have not received your ACP please contact us at 423-272-7318 or hvbaoffice@gmail.com or stop by our office. We can't wait to hear about all of the great things happening in your church!
